

## Away, with new weekend fun

If you want to do something different and you don't know how, or, if you have overseas visitors arriving soon – take note.

Weekends Away offers exciting day adventures in and around Johannesburg. The company can arrange anything from a romantic hike in the Magaliesberg mountains, hot air ballooning, or a visit to an elephant sanctuary.

For the more adventurous at heart, there's microlighting, sky diving, rock climbing, kayaking or river rafting, to keep the adrenaline high. Alternatively, Weekends Away can organise fly fishing, archery or horse riding in scenic environments.

Weekends Away is an adventure agency specialising in adding the element of fun, exploration, adrenaline, romance, sunshine and laughter to get-aways. They offer a portfolio of day, weekend, or week breaks.
